Financial Assistance from Japan for Irrigation projects under OECF

†1079. SHRI KRIPAL PARMAR: Will the Minister of WATER RESOURCES be pleased to state:

(a) what is the total financial assistance received so far from Japan and other countries for same medium and large irrigation projects under OECF;

(b) what is the State-wise progress position of these projects;

(c) the State-wise number of those projects out of the above which have been completed and the number of those which are at final stage of completion; and

(d) the details of those States where implementation of these projects is lagging behind the schedule?

THE MINISTER OF STATE IN THE MINISTRY OF WATER RESOURCES (SHRIMATI BIJOYA CHAKRAVARTY): (a) An amount of Yen 11,677,178 Million has so far been received under OECF (now Japan Bank for International Cooperation - JBIC) from Japan for some of the major irrigation projects in the country. No financial assistance is received from any other country under OECF.

(b) to (d) A Statement is attached.

---

†Original notice of the question was received in Hindi.

Statement

(Yen Million)
